About HCWH Europe

- A **non-profit membership organisation** of European hospitals, healthcare systems, healthcare professionals, local authorities, research/academic institutions, and environmental and health organisations.
- **Bringing the voice of healthcare professionals** to the European policy debate about key issues, such as: chemicals, climate change and health, sustainable procurement, pharmaceuticals, sustainable food.
- **Educating the healthcare sector** to understand the importance of the environment and press healthcare leaders and professionals to advocate for broader societal policies and changes.

HCWH Europe Programmes

Safer Pharma

Climate-smart Healthcare

Sustainable Food

Safer Chemicals

Sustainable Procurement

Global Green and Healthy Hospitals

Global Green and healthy Hospitals (GGHH) is an international network of:

- Hospitals
- Healthcare facilities
- Health systems
- Health organisations

Members are dedicated to reducing their environmental footprint and promoting public and environmental health.
